# Project Idea Check

Having a proposal idea? Get early feedback from experienced National Contact Points @Research2Reality 2023

Ideal-ist National Contact Points (NCPs) will be available at the event to review your project ideas. Discuss discretely with NCPs whether your idea fits the call topic you chose.

This form may be recommended to you by your country's Applications Agency.

By submitting this form, you apply for a pre-proposal check. It is recommended that you apply to your country's Applications Agency for a first check, first come, first served basis.

Your Name: \_\_\_\_\_ Surname: \_\_\_\_\_ Gender: M/F

Organization name: \_\_\_\_\_ Country: \_\_\_\_\_

**onsite: 5-6 February**  
**online: 19-23 February**

# Research to Reality

## Digital Solutions to European Challenges

A remarkable event that promises to shape the future of digitalization in Europe. It is organised under the Belgian presidency in cooperation with the European Commission.

[Sign up](#)

09:00 - 10:15

### Brokerage event & workshops

Organised by Ideal-ist

**OPTION 1**

#### Evaluation in HE

Over a thousand experts from over 50 countries with diverse expertise across technologies and application areas were involved in the process of evaluating Digital Horizon Europe. The workshop will bring together these experts for an exchange of experience and recommendations on how proposals can be improved.

**OPTION 2**

#### Building Synergies

While synergies is the new buzzword across EU programmes, Digital partnerships are building a strategies and communities, work programmes and modalities of implementation in their own areas, while activities bringing them together are ever more far and in between.

**OPTION 3**

#### HE & DEP Synergies in Practice

This workshop organized in collaboration by Horizon Europe and Digital Europe NCPs will demonstrate how synergies work in practice via 3 case studies: AI & data spaces, cybersecurity, High Performance Computing.

10:45 - 12:00

### Brokerage event & workshops

Organised by Ideal-ist

**OPTION 1**

#### Evaluation in DEP

Over a thousand experts from over 50 countries with diverse expertise across technologies and application areas were involved in the process of evaluating Digital Europe projects. The workshop will bring together these experts for an exchange of experience and recommendations on how proposals can be improved.

**OPTION 2**

#### Impact Pathways on the Horizon

Horizon Europe has challenged European academic and industrial communities to change their mind set: put innovation & impact in focus by building impact pathways. This workshop will bring together a diverse set of experts - the European Commission, expert evaluators, and successful coordinators.

**OPTION 3**

#### Cascading grants

Financial Support to Third Parties (FSTP) – also known as Cascading Grants – can be found in topics from cloud, edge and IoT, artificial intelligence, smart networks and services, next generation internet to flagship initiatives. And it doesn't stop there. Complex terms, a multitude of initiatives, yet so many opportunities!
