

# EMBRACING KEY VALUES AND KEY VALUES INDICATORS

How can SNS projects  
drive sustainable change?

## An Interactive Workshop

A joint  
collaboration of

## SESSION OBJECTIVES

October 25th

10:00 - 12:30 CET

1

Gather current approaches to identifying relevant KVIs and objectives within to build a map of how and why different projects (e.g. stream B, C, D) approach value prioritisation

2

Collect challenges in defining and implementing KVIs to assess further support needs

3

Share what works well in projects working with KVIs to collect best practices

4

Clarify the expected impacts of KVI use

Are you involved in the KVI development activity  
within your SNS project? **Then JOIN US!**
