Brokerage Event
SNS JU FEM 2026 Call for proposals

Dr Oana Radu Call Co-coordinator

26 May 2026

6G SNS
IA

The Event will be **recorded**.

Please keep your **mic** always **muted**, if you are not presenting.

All presentations and recording will become available. Strictly 5 minutes per presenter. Presenters will share their own slides. 1 minute warning will be issued to all speakers by the moderator.

Please use the **chat** box to ask questions during the presentations (answer may be provided directly in the chat by the respective presenters). There is no possibility for a “live” Q&A session.

This is a Public Brokerage resource for the SNS JU call 2026.
It is operated by the SNS CO OP Project, in partnership with the 6G-IA, as a support to the community for the forthcoming SNS calls.

Submit Proposals/Ideas

Submit Your Expertise

Browse Proposals/Ideas

Browse Profiles

1. For Idea owners or proposal leaders: To post your project ideas so prospective partners can ask to join with you.
2. For offers of Expertise: (participants looking for projects): To post your profile and indicate your interests so prospective partners can find you.
3. Link to browse Submitted Proposal Ideas: To browse or search project ideas to see if there are any you would like to offer your participation to.
4. Link to browse Submitted Expertise Offerings: To browse or search up loaded profiles to find the competence you need in your proposal(s).
